Mrs Nancy Green

Ref: National Coin Week.

Dear Nancy

Please excuse me if this is addressed to the wrong person, but the chairman of our club show in regards to the above, inadvertantly discarded all the material left over at the end of the show, so I am addressing this to you from memory.

This year our club show was not as good as we normally aim for due to it being Easter week, so we had a shortage of manpower, but we did put on a three day show, Wed, Thur and Sat, with 3 coin displays and 12 stamp displays (terrible isn't it).

Never the less we are a joint Coin & Stamp Club and most of the displays were from Juniors which was very gratifying.

The reason for this letter then is to respectfully request a total of 20 Appreciation certificates.

Thank You for your interest in this request.

Sincerly Yours

Edward A Gordon
